*The mission of the Youth Community Coalition is to support programs that assist Columbia's at-risk youth as they develop into productive and self-sufficient citizens. The Coalition's priorities focus on issues concerning healthy choices, substance abuse, education, and employment through community collaboration around effective programs with measurable outcomes.*

# YC2 Connect

*Connecting profit & non-profit organizations in working for safe and healthy youth.*

Join us for lunch and discover ways that the profit and non-profit sectors can partner together for the benefit of youth. Bringing these two worlds together is a vital step in creating a caring and supportive community where youth can thrive.
